

## **Business Sponsor Recognition - Please call upon these fine vendors!**

---

Enormous thanks go out to the vendors who have donated their time and materials for our accessible parking area: T&K ASPHALT SERVICES, AGGREGATE INDUSTRIES, HICKEY CONSTRUCTION and J.J. DELANEY, INC. We have also received many, generous donations from the Community that have been earmarked for the parking area and Phase II... Thank you very much! The certification process for an 'exceptional' Boundless Playground requires the parking area to be fully accessible with direct access to the play equipment through ramped pathways. We received Boundless Playground certification on June 30, 2010.

A HUGE THANK YOU to ROBERT B. OUR COMPANY for their excellent excavation work! They have graciously cleared stumps, hauled them from the site, graded and prepped the site for the Community Build, all out of the GOODNESS in their Hearts. They exemplify generosity and Community Spirit above all expectations!

EXTRA Special thanks to CAPE COD COOPERATIVE BANK for their steadfast support and extremely generous *Matching Challenge Grant* of \$10,000.00. We are blessed by their commitment to our project and to the entire Community!

We would also like to recognize all of the incredible businesses and organizations that have shown generous support to date:
